

New Hospital Addition at St. John's Pleasant Valley Hospital

Expansion and Modernization Project

Cardiac Catheterization Lab: The state-of-the-art Cardiac Catheterization Lab utilizes advanced diagnostic equipment that allows for greater imaging clarity to treat, diagnose and ultimately save lives.

Surgical Suite: Technologically advanced surgical suites include two general purpose operating rooms and one spacious multipurpose operating room to accommodate more specialized procedures.

Patient Rooms: 50 spacious and private rooms are designed and furnished to promote optimal healing and comfort for patients, families and friends.

Main Lobby: The warm and welcoming lobby is designed so visitors and guests can quickly locate services and patient rooms. The open area will feature natural lighting, music and art, and reflect the Mission Style architecture of the hospital and community.

Family Waiting Areas: The waiting areas offer a calm, relaxing space for gathering with family and friends.

Entrance & Amenities: The new hospital entrance reflects the architectural style of Camarillo. The patient addition is designed with an emphasis on family and caregiver comfort. Visitors will also enjoy dining in the new Café and shopping in the charming gift shop.

St. John's Pleasant Valley Hospital's more than 71,000 square foot expansion will enhance our community hospital's ability to provide excellent state-of-the-art technologies to complement the excellent health care services our community has come to expect and deserve. Scheduled for completion in early 2018, our modernization project will include:

- Three story addition designed to enhance comfort and healing
- State-of-the-art cardiac catheterization laboratory
- Three new technologically advanced surgical operating suites
- 12-bay combined preoperative and post anesthesia care units (PACU)
- Charming gift shop
- 50 spacious private rooms
- Beautiful new lobby designed to promote healing and relaxation with convenient access to patient rooms
- Redesigned café offering healthy options and fresh ingredients

Our commitment to the quality, safety, and excellent care you have come to expect will not be affected during construction.

Our addition and modernization project is made possible by our generous donors.
